\*Expected Cash Flows are based upon the rate structure and the 2022 Fiscal Plan Load Projections.

Actual cash flows for the New Bonds may be faster or slower depending on future economic performance of the rate structure until the repayment of the New Bonds. If revenues are higher than projected, the principal would be redeemed sooner; if revenues are lower than projected, the principal would be redeemed later. Assumes the Effective Date of the Plan occurs July 1, 2023; if the Effective Date is a different date, the values in the above schedule will adjust accordingly.
